

## Tony De Vit – I Don't Care (Lee Haslam Remix)

Cat No: REFRESH04

Label: Re:Fresh

Release Date: Out Now

### As heard on BBC Radio One!

**Re:Fresh** continues its outstanding run of bringing the biggest clubland classics bang up to date for the modern dancefloors of the World with its latest sure fire hit destined for greatness!

**Tony De Vit** was without doubt one of the biggest influences on the modern day dance music world, and one of his stand out releases is the anthemic '**I Don't Care**'.

Here we see global Trance superstar and Slinky main man **Lee Haslam** step up and deliver an awe inspiring Tech Trance re-work of this timeless classic, taking the formidable riff from the original and delivering a re-work bound to find flavour with those in need of delivering that little extra peak time magic!

With support across the board from some of the biggest names in Trance, **Lee Haslam's** brand new epic remix of '**I Don't Care**' looks set bring this iconic dance music anthem back into the lime light with considerable style!

### DJ Support:

**Judge Jules / Jon O'Bir / Lisa Lashes / Jordan Suckley / John Askew / Christopher Lawrence / Mark Sherry / Will Atkinson**

### Other points of interest

- 'Tony De Vit is widely regarded as one of the greatest DJ's of all time.
- Heralded as the inspiration for almost an entire generation to pick up the headphones, Tony's work is still played and licensed the World over to this day
- 'I Don't Care' was one of his biggest releases, an anthem from the early days at legendary London party Trade.
- Here we see Trance superstar and Slinky's main man Lee Haslam provide a superb Tech Trance Update.
- Lee's career has gone from strength to strength. Originally making a name for him self at uber label tidy trax, (on which 'I Don't Care' was originally released) and since spreading his wings and becoming an established Trance artist with regular appearances at some of the biggest events Worldwide, and with every single major player in the Trance scene supporting his music.
- Already receiving big support on both the radio and throughout the clubs, this brand new version of 'I Don't Care' looks set to become one of the stand out anthems of recent months!
